

**FORT VALLEY UTILITY COMMISSION BID
NATURAL GAS SYSTEM IMPROVEMENT –
LINE PIPE for SR 96 AND SR 49 HIGH PRESSURE PROJECT**

The Fort Valley Utility Commission will accept sealed bids for supplying steel line pipe for the construction and installation of approximately 30,000 feet of 6” steel high pressure natural gas main for natural gas system improvements in the City of Fort Valley.

Bids will be received in the Fort Valley Utility Commission Administration Office, 500 Anthoine St, Fort Valley, Georgia, until 11:00 a.m. local time on Friday, January 3, 2025. No bid may be withdrawn after the closing time for the receipt of bids for a period of sixty (60) calendar days after bid opening date.

Copies of specifications and bid forms may be obtained from Sapp Engineering & Services, P. O. Box 26097, Macon, Georgia 31221, by requesting an electronic version by calling (478) 342-0386, or emailing Jack Sapp at jrsapp@sappengineering.com.

Delivery will be scheduled by the successful Contractor. The successful Contractor will be determined in January 2025 and will be expected to start construction by February 2025.

Sealed bids must be addressed and submitted as follows:

Fort Valley Utility Commission
Robert Johns
500 Anthoine St
Fort Valley, GA 31030

The Bid Name “Natural Gas System Improvement – Line Pipe for SR 96 and SR 49 High Pressure Bid” shall be clearly marked on the outside of the envelope.

The Fort Valley Utility Commission reserves the right to accept none, all or any part of the bid and to waive informalities or technicalities or to re-advertise as appropriate.
